What careers ARE AVAILABLE IN AGING SERVICES?

Are you looking for a job in an area that is growing rapidly, that needs people with a broad range of skills, that will improve people's lives, and that will be challenging, exciting and rewarding?

Consider a career in the field of aging! By 2030, the US will need 2.5 million people to provide long-term services and supports to keep up with the growth of America's aging population.

A Rapidly Growing Older Population

The population of adults age 65 and older will increase from 47.8 million in 2015 to 88 million in 2050.

A Growing Need for Assistance

The U.S. Department of Health and Human Services estimates that nearly **70% of people who reach the age of 65** will ultimately need some form of long-term services and supports (LTSS).

By 2035, the number of older households with disability will increase by 76% to reach 31.2M

A Growing Need for Workers

The nation will need **2.5 million** LTSS workers by 2030 to keep up with the growth of America's aging population.
